

## How to use Pod Talk:

Talking through the Bible during the week helps us practice what we are learning. Read the Sunday Bible passage, discuss what you notice, share what God is inviting you to apply to your life, and wrap up with prayer. **(SOAP)**

## Sermon Main Idea:

God's creation is so spectacular and amazing that we respond with worship, creativity and rest.

## Introduction:

1. What part of God's creation do you enjoy? Why?
2. In what way(s) are you creative? What do you enjoy creating?

## SOAP:

**Scripture** | read Genesis 1:1-31 and relate last week's daily bible readings

**Observation** | what do we notice? what stands out?

1. What does God create in the first six days? What did He think about what He made? (vs. 1-2ff)
2. How did God create everything? What does that tell us about Him? (v.3,6,9,11,14,20,24,26)
3. What qualities or characteristics does God give to Adam and Eve? (vs. 27)
4. What commission does God give to Adam and Eve? (vs. 28-30)
5. Who was there in the beginning during the creation? (vs. 1-2,26)

**Application** | what can we apply to our life today?

1. Why did God create all things?
2. What does being created in God's image mean for us in our daily life?
3. What does God's commission to humanity say about us? What does it include? (vs. 28-30)
4. How can you respond to God's creation this week with worship? creativity? rest?
5. How can you respond to this passage in your relationship with God (Up)? In your relationship with those in the church (In)? Or, in your relationship with those outside the church (Out)?

**Prayer** | ask God to help you live out your application
